

INVESTING IN PA VENT CAMP

We are proud to have served those who use mechanical ventilation for more than twenty-five years... and we can't wait to see what the next twenty-five years will bring!

Our campers are those who have been told "No," day after day; their everyday lives aren't designed to enable their families or facility staff to help do whatever they want on a whim. However, at PA Vent Camp: we share with all campers an enthusiastic YES! We build an experience where campers can experience life without (much) regard to their physical abilities.

"When I was four years old, I started going to this awesome place called PA Vent Camp... and I have only missed two years since then! Words cannot describe what this camp has meant to me."

- Sara

We can't do this alone; it is the support of generous sponsors and donors who make PA Vent Camp possible. Read on if you'd like to help campers like Sara experience an incredible week without limits.

ABOUT US

& CONTACT INFO

PA Vent Camp was founded in 1993 with just a handful of campers, and has since grown to serve more than 40 campers each year during a 5-day/4-night summer camp. Additionally, PA Vent Camp serves adult campers (ages 21+) for a weekend each fall.

Open to children (ages 5-18) who use any sort of mechanical ventilation (ventilator, BiPAP, CPAP), campers can experience the fully-accessible grounds of Camp Victory while at PA Vent Camp! Kids can get airborne on the zip-line, scale the rock wall, go fishing or cruise around in the pontoon boat, scope out the view from the tree house, experience wildlife firsthand at the Camp Victory nature center, and enjoy a variety of crafts and activities -- there's never a boring day!

PA Vent Camp is a magical place where life-long friendships, lessons, and independence come to life for our campers.

Quick facts about PA Vent Camps:

- Over 300 campers have attended since the start of camp
- About 125 volunteers are needed each year -- approximately a 1:3 ratio, camper to volunteers
- Over 350,000 volunteer hours have been donated to PA Vent Camp since 1993
- It costs approximately \$2,500 to send each camper to camp
- Camp is FREE for campers and their families!
